Shepherd's Table A huge thanks Community Food Rescue, FarmAtHome Produce and Montgomery County Master Gardeners - Maryland! Our Chef is making several trays of blueberry crisp to serve on nights when we are short on dessert! We'll be sure to share a picture when it's done!

Manna Food Center Community Food Rescue program was honored last night at Red Wiggler Community Farm annual Harvest Celebration for redirecting their surplus produce to CFR network non-profits serving our food insecure neighbors. Manna's Mitchell Glassman, Jenna Umbriac, and Cheryl Kollin were on hand to receive their Big Wig Award. Great partnership!

After JHU Applied Physics Laboratory (APL) had to close its café, they donated 1,200 lbs of fresh produce and 200 lbs of dairy. The folks at Rainbow Community Development Center picked it up earlier today! [#FeedMoreWasteLess](#)

Along with the food they prepare for their program participants, our amazing food donors are helping Family Services, Inc. ramp up and provide 5,425 meals a week to neighbors experiencing hunger during the COVID-19 crisis. #FeedMoreWasteLess

Our "Stay Put Packs" pilot was a great success! CFR food runners have delivered 143 food boxes to help our most vulnerable and senior #MoCo neighbors stay healthy and safe. We are expanding the program thanks to the tremendous commitment of our volunteer food runners -- thank you! #FeedMoreWasteLess
